

## M1NT

Another year, another Best Club award locked down for superstar club M1NT. If there's one spot that consistently serves up popular dance tunes, Shanghai's brightest and most beautiful, and spectacle after dazzling spectacle, this is it. It's no wonder that this club is the first place expats hear about when they move to town. It's no wonder that visitors always ask us how they can get on the guest list. And it's no wonder that our readers have given them the gold yet again.
